Outcomes

We recruit individual volunteers and match them to roles requested by our member not-for-profit organisations across all areas of the community sector. Within these roles our volunteers provide over 388,700 hours each year to support our community in many different ways, including: helping vulnerable people manage their everyday lives; educating and mentoring; helping charities administratively; counselling and befriending; supporting the arts, and; enhancing our physical environment. We also arrange groups of people from businesses, schools and other organisations to volunteer together helping not-for-profit organisations achieve larger scale projects.

Our member organisations help approx. 46,500 people in the community. We support them by organising appropriate workshops, training, network meetings, and individual meetings, to support their management of volunteers and other related issues.

We promote volunteering by presenting at schools, youth events and seminars, by reaching out to people in libraries and WINZ offices, by sharing stories via traditional and social media, and presenting our Annual Volunteer Awards.

Statement of Service Performance (continued)

Additional Information

There are approximately 97,000 not-for-profit organisations in New Zealand, which contribute 2.8% to the national GDP, or 4.6% when volunteer labour contributions are taken into account. This is a hugely significant percentage, equivalent to the construction industry. Of those organisations, 90% employ no staff and as such rely solely on the work done by volunteers to operate.

Statistics New Zealand reports that approximately 21.5% of New Zealanders undertake volunteer work, contributing a total of around 159 million hours of formal volunteer labour each year. The value of formal volunteering to the country is estimated at \$4 billion per annum. 11.8% of people undertake informal volunteering work, contributing a total of 7.8 million hours of volunteer labour per year to these figures.

Rates of volunteering for those who are employed are higher than those who are unemployed or not in the labour market. The exception is those aged over 65, where the rate of volunteering for those not in the labour market is higher than those who are employed. This is because the proportion of over 65's who are not in the labour market may be higher than those who are employed.

People from European and Maori ethnic groups are the two ethnic groups most likely to volunteer, while MELAA (Middle Eastern, Latin American, and African) and Asian are the least likely by volunteer percentage rate. This shows the ongoing challenge of making the volunteering landscape more inclusive to widen the range of people who engage in volunteer work. Those in professional occupations are more likely to volunteer than those in non-professional occupations: 23% of professionals and managers, versus 16% of labourers and machinery operators.

From Volunteering New Zealand's State of Volunteering Report 2020, we learnt that difficulty recruiting, and a lack of volunteers, is reported as the primary concern of 36.6% of volunteer involving organisations. This is one of the key challenges that our member organisations face, and why the recruitment, support and promotion services we provide are vital in assisting them to face this challenge and to encourage the volunteer leadership needed to deliver engaging and worthwhile volunteer programmes.

Entity Information

Mandatory disclosures according to s.3 of PBE SFR-A (NFP)

Type of Organisation

Volunteering Canterbury is a Charitable Trust incorporated under the Charitable Trusts Act 1957.

Purpose of Organisation

Volunteering Canterbury's mission is "to enable the successful employment of volunteers by not for profit organisations and promote the benefits of volunteering to people and communities". This is done by:

- -Recruiting volunteers for our members, all not-for-profit organisations acting for the local community, and arranging group volunteering.
- -Supporting our member organisations by providing relevant workshops, training, and support networks specific to volunteer management.
- -Promoting volunteering by presenting the benefits of volunteering to local communities, engaging our youth and recognising volunteers at annual awards and via media.

Organisation Structure

Our constitution states that our board shall comprise of no less than five (5) and no more than seven (7), making a total of no more than nine (9) members, including the roles of Chairperson, Vice-Chairperson and Treasurer. The board will appoint a representative of Te Runaka ki Otautahi o Kai Tahu as nominated by the Runaka, and a representative of the Pacific Peoples' Forum as nominated by the Forum. The board is responsible for the administration, general conduct, and management of Volunteering Canterbury. There are two full-time staff members (a Strategic and Finance Manager and an Outreach and Marketing Manager) who co-manage the organisation, and a part-time Community Projects Administrator. A regular office volunteer and a small group of community event volunteers support our activities on a regular basis.

Main Sources of Funds

Volunteering Canterbury is predominantly funded by Grants – chiefly from the Christchurch City Council, Lottery Grants, Rata Foundation, Support for Volunteering Fund and COGS. We also receive annual subscriptions from our member organisations, and funds from organisations participating in training and workshops.

Main Methods of Fundraising

The organisation regularly applies to philanthropic or government funders for grants and donations but does not actively participate in fund raising.

Entity Information (continued)

Mandatory disclosures according to s.3 of PBE SFR-A (NFP)

Volunteers and in-kind Donations

Volunteering Canterbury Board members are volunteers with various skills including finance, marketing, 3rd sector management, community connections and representation of the Runaka and Pacific Peoples Forum. Other volunteers interview prospective volunteers and perform administrative and project work.

We acknowledge the support of the following organisations:

- Christchurch Community House, where we are situated, for provision of community-based office facilities at supportive rates.
- University of Canterbury with whom we work in partnership with to deliver annual Student Volunteer Expos.
- Our funders, Christchurch City Council, Lottery Grants, Rata Foundation, Support for Volunteering Fund and COGS.

Statement of Accounting Policies

Basis of Preparation

Volunteering Canterbury is eligible and has elected to apply accounting standard PBE SFR-A(NFP) because it is not publicly accountable, is not large, and has annual expenditure of less than \$2,000,000.

Transactions are reported on an accrual basis with the exception of the Statement of Cash Flows. The Financial Statements contained within this report have been prepared on the assumption that the organisation will continue operating for at least 12 months after Balance Date.

Taxation

As a Registered Charity the organisation is exempt from Income Tax.

The organisation is registered for GST, and all figures are shown exclusive of GST with the exception of Payables and Receivables disclosed in the Statement of Financial Position.

Fixed Assets

Items of non-current assets are recognised at Cost less accumulated depreciation. Depreciation is applied equally over the expected useful life of the asset as follows:

Furniture and Fittings: 10 Years Office equipment: 6 Years

Computer and Office Equipment: 5 Years

Grants

Grants and donations income is accounted for depending on whether or not it has a "use or return" condition attached. Where no use or return conditions are attached, the revenue is recorded as income when cash is received. Where income includes a use or return condition, it is initially recorded as liability on receipt. The income is then subsequently recognised within the Statement of Financial Performance as the performance conditions are met.

Changes in Accounting Policies

All accounting policies have been applied consistent with the previous year.

Investment

Investments are recorded at cost plus interest received and compounded at Balance Date. Interest earned but not yet received at balance date is disclosed as interest accrued.

Bank Accounts and Cash

Bank Accounts and Cash in the Statement of Cash Flows comprise cash balances and bank balances (including short term deposits) with original maturities of 90 days or less.

Subscriptions

Subscriptions are recognised as income once they have been received.

Notes to the Accounts

3 Contingent Liabilities, Commitments and Guarantees

The Trust has Westpac credit cards with a facility of up to \$4,000 (2019: \$4,000)

The Trust's lease agreement with Christchurch Community House Te Whakaruruhau Ki Otautahi

Trust has been renewed and now runs from 1 January 2019 to 31 December 2022. Under this agreement, the Trust has a monthly rental of \$1,183.01 plus GST payable on the first day of each month. The Trust also has to pay the Proportion of Outgoings and Utilities.

4 Related Parties

2021

There have been no related party transactions during the 2021 financial year.

2020

A former board member took on an additional paid role as an HR consultant to the organisation, a total of \$5049.65 was paid for management oversight services.

5 Events after Balance Date

The trustees have considered the effect of Covid restrictions and are of the opinion the financial position of the Trust will not be materially impacted (2020: nil).

INDEPENDENT AUDITOR'S REPORT

To the Members of Volunteering Canterbury

Report on the Financial Statements

Opinion

I have audited the Financial Statements of Volunteering Canterbury pages 3 to 14 which comprises the entity information, the statement of service performance, statement of financial performance and statement of cash flows for the year ended 31 March 2021, statement of financial position as at 31 March 2021, statement of accounting policies and the notes to the Financial Statements. In our opinion:

- a) the reported outcomes and outputs, and quantification of the outputs to the extent practicable, in the statement of service performance are suitable.
- b) the accompanying Financial Statements (containing the statements as specified in the opening paragraph) gives a true and fair view in accordance with Public Benefit Entity Simple Format Reporting – Accrual (Not-For-Profit) standards issued by the New Zealand Accounting Standards Board.

Basis for Opinion

The audit of the trust information and statement of service performance were conducted in accordance with The International Standard on Assurance Engagements (New Zealand) ISAE (NZ) 3000 (Revised).

The audit of all other statements as listed in the opening paragraph was conducted in accordance with the International Standards on Auditing (New Zealand) (ISAs (NZ)).

Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of Volunteering Canterbury in accordance with Professional and Ethical Standard 1 (Revised) Code of Ethics for Assurance Practitioners issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

I believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for

Other than in our capacity as auditor we have no relationship with, or interests in Volunteering Canterbury

Responsibilities of the Board of Trustees for the Financial Statements

The Board of Trustees is responsible for:

- a) Identifying outcomes and outputs, and quantifying the outputs to the extent practicable, that are relevant, reliable, comparable, and understandable, to report in the statement of service performance;
- b) the preparation and fair presentation of the Financial Statements on behalf of the entity which comprises
- the entity information and statement of service performance
- the statement of financial performance, statement of financial position, statement of cash flows, statement of accounting policies and notes to the Financial Statements in accordance with Public Benefit Entity Simple Format Reporting – Accrual (Not-For-Profit) standards issued by the New Zealand Accounting Standards Board.
 - Such internal controls as the Board of Trustees determine is necessary to enable the preparation of the Financial Statements that are free from material misstatement, whether due to fraud or error

15

PO Box 10379

Christchurch 8145

34 Birmingham Drive

bevan@smithandjack.co.nz

Smith + Jack

d) In preparing the Financial Statements, the Board of Trustees is responsible on behalf of Volunteering Canterbury for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Trustees either intend to liquidate or to cease operations, or have no realistic alternative but to do so.

Auditor Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (NZ) and ISAE (NZ) 3000 (Revised) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with ISAs (NZ) and ISAE (NZ) 3000 (Revised), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the use of the going concern basis of accounting by the Board of Trustees and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on Volunteering Canterbury's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause Volunteering Canterbury to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Tracey Jack 27 September 2021

Christchurch
